

# Article User Guidelines

Last Updated on Wed May 25 2022 by Jacob D.  
Version 1.0

## Introduction

Here at Article, We want to create a safe community for our users. As with most communities, we need to set a few ground rules. This document will take you through those rules.

Everything that is not permitted will be removed from Article. If necessary, an account will be banned. If needed, police can also be contacted.

## Language

This will so some of the abbreviations used:  
TW: Trigger Warning

Everything after this line is the guidelines.

## Illegal Activities

All illegal activity on Article will be removed. This includes all US laws. Any state-specific laws will be up to an admin for disciplinary level.

## Drug Use

If there is evidence in an Article that a person has used a drug that is illegal in **all 50** US states, the Article will be deleted and it will be up to the admin if further action is necessary.

## Hate Speech

Hate Speech is when one speaks against another in a way that is harmful. This does **not** include arguments or political speech (more info on that later). Hate speech includes but is not limited to: Racism, Homophobia, Misogyny, Bullying, any shaming, etc.

## Cussing

Cussing is allowed on Article unless it is used in a way to make others feel un-belonging.

## Harmful Activities

If an Article is unsafe for the general population, it will be marked with an TW saying how it should not be tried. If an Article contains support intentional harm to one it will be removed. If an Article contains harmful activities, but does not support them, then it will be marked with a TW.

## Malware

Do not attempt to distribute malware on Article. This applies outside or inside Article. Do not attempt to access Article in ways that are not a Verified build. Do not use automated scripts to access the Article platform.

## API

Do not use the Article API for spamming or anything that violates these guidelines.

## Sexual Activity

Do not use the Article platform to distribute sexual activities, regardless of age. This includes but is not limited to: Pornography, Nudity, Bodily Activities.  
**END**

## **Conclusion**

We want to make Article a safe space for all. We hope you enjoy the Article service.
